### Modern Students wished to perform the best on the first day of the CBSE exam

5<sup>th</sup> March 2018 was the most precious day in the lives of all these students who were eagerly waiting to capture the world to become go-getters at the beginning of the CBSE Board exams with English being their first paper.

The Principal, Dr Vijay Datta, Headmistress, Mrs Prabha Bhagat, English teachers, Mrs Sanjana Mulla and Mr Firoz Bakht Ahmed, co-curricular expert, Mr Arindam Sengupta and Col Rajesh Menon were all there to bless the students.

Dr Vijay Datta emphasized on a couple of points to do well in the exam, like not leaving any question, to be careful about neatness and tidiness and giving the correct answers besides others.

Mr Arindam, broke the customary coconut as a goodwill gesture, praying measure as faith matters. After the usual send-off, the children happily proceeded to their center at Mater Die School in the school bus.

## PM's address to the students

### SRJNA Students' Workshop.

About 40 children attended a session held in the school on 20<sup>th</sup> Feb for class 10. The session was aimed at clearing the basic concepts of Light: Reflection and Refraction, Electricity and Magnetism using teaching aids and analogies. These three units constitute 40% of the syllabus and children often find it difficult to understand the concepts.

This was followed by a feedback session which revealed that the students found the session very interesting and informative. They appreciated the methodology of teaching using teaching aids and found it practical. Students were keen that such workshops be organised more frequently.

The 11th annual walkathon was organized by an NGO 'Can Support' to raise awareness about the rising incidence of cancer in India and to show solidarity with those suffering from it.
