## **PRESIDIUM MODEL UNITED NATIONS 2018**

Presidium School, Gurgaon hosted its annual Model United Nations Conference from 10<sup>th</sup> - 12<sup>th</sup> August 2018. Under its umbrella theme, “Presidium for Youth Empowerment”, the Conference aimed to inspire youth leaders to co-operate and collaborate. With over 200 delegates from a plethora of schools across Delhi, the Conference witnessed stiff competition and a high level of debate. The members of the MUN Society bagged the ‘Outstanding Delegation’ award for their exceptional performance and brought laurels to the School.

## GLOBAL ACCOLADES FOR MODERN

Harsh Gupta's (S7C) publication of a research paper focusing on detection of squint, an eye disorder has placed Modern School in the realm of International academia. He has been invited to make a presentation for his paper 'Heterotropia Diagnosis using Machine Learning and Computer Vision' at **IEEE International Conference on Contemporary Computing and Informatics, 2018** where he will explain how he used digital image processing and neural networks to diagnose the disease. Harsh has been given an International Digital Object Identifier (DOI) for the IEEE Xplore paper.
