Teacher's Day celebrations at school

Teacher's Day celebration started with a tribute to Mr Bibhuti Sheel who passed away this year. This was followed by a musical mantra recitation in different languages by our chief guest Mr. Deepak Castellino. A musical treat was given by Mrs. Subhashini Sinha on her electric guitar with the song 'Ajeeb dastaan hai ye'. Ms Deepika Parashar recited a beautiful poem on this occasion. Our principal addressed the teachers and wished all on the occasion of teacher's day. An amazing dance performance by students charged the audience. As a part of the tradition of modern school the S7 students were clad in colourful sarees and kurtas. The day culminated with tea and refreshments for the faculty .

Disaster Management First Aid Programme

In case of disaster management, first aid plays a very vital role to create a proper understanding and initiate us into immediate action. This is the aid which has to be given on the spot for injuries, fainting, nose bleed and choking. The disaster management committee headed by Mrs Gita Chadda arranged a training during the morning assembly on 2nd sep 2015. The training was conducted by Dr Kritika Nanda who is an ex student of our own school of the 2007 batch. She has done her MBBS from Mumbai and is working with 'Max institution of medicine' in the field of emergency medicine.

Dr. Kritika took us through an excellent first aid programme, step by step, which was much appreciated by the students and teachers.

Practical examinations

Students of S4 took the practical examination for the first time as a part of their half yearly evaluation. The practicals were conducted in physics, chemistry and biology. The students were examined for their skill to use the apparatus, to do experiments on their own, to use a microscope and to record results from the equipments in the laboratory. It developed in them a scientific aptitude. Hands on learning increases their understanding of the subjects and helps them to learn those things which they had been learning theoretically. The science teachers also carried out a viva thus preparing them for the board exams in the future. It was a great experience for the students and they were very excited and enthusiastic during the examination.

The Tiranga Badge Award

The Tiranga badge award is an initiative of the Flag Foundation of India and DESH foundation. It aims to recognize students in the age group of 12- 20 years, who have contributed to the welfare of their school/ college, city or country. The award is an acknowledgement of service to people and society. It includes the service to people, the environment and animals. Modern school Barakhamba won awards in all categories. They were also judged the best school for community service and given a cash award of Rs 5000/. Rishabh Arora was given a Gold category award for his effort for his Project- 'CASH WITH TRASH'. Other winners were Bikram Kochar , Banee Kochar, Varun Pant, Aastha Jain, Gobind Singh, Ananya Aggarwal, Sadhika Suneja and Arushi Prasad .

A walk for a safer roads

On Saturday morning August 8th, Modern School took part in a walk for better road safety and remembered those who had fallen victims to the chaos of chaotic roads. Due to the commendable efforts of The Interact Club, 17 students from the school, accompanied by 2 teachers, displayed their dedication to the cause by taking part in the 4 km walk. Organized by no less than 12 NGOs in Delhi, the walk was characterized by avid participation from people of various walks of life. It started from India Gate, the walk encircled the various avenues around the area, passing by few of the busiest streets in the locality. Well organised and successful, the walk truly displayed the cause while, at the same time, furthering the need for improvement.

Astronomy club

Students of the Astronomy club, Modern School Barakhamba road participated in the Astronomy Quiz Contest conducted by the Nehru Planetarium on Monday, 31st August at the planetarium, Teen Murti House, New Delhi. The participants were accompanied by Mrs Sujata Sharma and included Tushar Goswami class S6 D, Arshdeep singh class S5 B of module I and Samraj Chowdhary, Atharva Mehta class S3D of module 2. The students put in commendable effort and received participatory certificates.
