The theme for poster making was 'VIRTUES OF SCIENCE' which aimed to provide a gamut of scientific explorations. The topic for model making was 'CHALLENGES IN LIFE AND THEIR SCIENTIFIC SOLUTIONS', which was an attempt to celebrate science and its wonderful secrets.

In the event 'BE THE CHANGE', students tackled the problem of space debris by designing futuristic satellites which were minimalistic, innovative and took into account economic feasibility.

The participants created 'MINIATURE INDOOR THEME GARDEN/PLANT DISPLAY' and a poster was designed on the theme along with a slogan.

The overall trophy was bagged by Delhi Public School R.K Puram. The events conducted under different departments tried to reinforce the interest in Science among students. The Symposium was not about winning but about participation and the unfolding of unique ideas. Through their activities, models etc. the students shared their zest and desire to work for the upgradation of our environment. The Symposium highlighted Recycling, Innovation, and Use of alternative methods of Energy and Pollution Control methods as intrinsic factors to our daily lives.

RISMUN

The students of the MUN Society of our school, from Class S6 and S7, participated in the 13th edition of the RIS Model United Nations Conference, held and organised by Ryan International School, Vasant Kunj. There were committees as unprecedented as the Review Meet on the Vienna Convention on Diplomatic Relations discussing diplomatic immunity to the Organisation of Islamic Cooperation deliberating upon the fight against ISIS. Our students displayed their remarkable diplomatic, debating and negotiating skills, in an attempt to uphold the goals of the United Nations. A total of 16 students participated in the conference and performed exceedingly well in their committees. The Senior Secretariat of RIS Model UN conference appreciated our team. Modern School, Barakhamba Road emerged victorious by beating some of the well-known schools of Delhi NCR including GD Goenka Public School, Ryan International School, Mayur Vihar and DPS Sushant Lok.

LAJPAT HOUSE FUNCTION

Lala Lajpat Rai, the 'Lion of Punjab', continues to inspire the students of Modern School and bring out the best in them. The Biennial Lajpat House function was held on 3rd May, 2019. The exhibition's theme was 'The Galaxy- A Dimension of the Unknown'. The function commenced in the HLL Auditorium. The occasion was graced by the Chief Guest, Mr Bharat Sharma, Director, Bhoomika Creative Dance Centre, accompanied by the Principal, Dr Vijay Datta. After the lighting of the ceremonial lamp, Kavya Aggarwal (S6-G) performed a graceful Vandana to invoke the blessings of Goddess Saraswati. This was followed by a foot tapping performance by the House orchestra accompanied by rhythmic yoga which was performed by Saumya Panwar (S6-B). The House Ballet was a tribute to the role of grandparents in the current times. The next performance was a western mash-up by a talented pianist and singer duo, Disha Aggarwal (S7- B) and Ira Agrawal (S4-A). The hall echoing with melodies was soon replaced by fits of laughter as the members of Lajpat House represented 'Kaamchor', an adaptation of a short story written by Ismat Chughtai. The atmosphere became tranquil with a reverberating patriotic song 'Ae Watan' sung by the House led by Aditya Pathak (S7-C). The members of the house were appreciated immensely by the Chief Guest and the Principal.
