ANNUAL EXHIBITION- UNFURLING TALENT

Modern School provides its students numerous opportunities to learn and showcase their talent on a huge platform. This year too, in continuation of the 97th Founder's Day, An Exhibition was conducted on 16th November 2017 to display creativity of students. The Chief Guest Dr Ashok Pandey, Principal, Ahlcon International School along with the Principal Vijay Dutta encouraged students for their efforts and innovation.

ELECTRONICS & ROBOTICS

The Electronics & Robotics department presented some very High-Tech projects with endless uses & implementation. The projects made were based on STEM, a curriculum based on the idea of educating students in four specific disciplines, S- Science T- Technology E- Engineering M- Mathematics

Projects that are made are created to help mankind flourish & to help the needy. They were as follows:

1. Smart Dustbin
2. Smart Gardening System
3. GSM- based Water – level System
4. Object Avoider robot
5. Soccer Bot
6. Line follower System
7. Emergency Lights
8. Magic War Robot

Members of the Robotics department in action

PHOTOGRAPHY

'Lenscraft' the Photography Club of the school showcased some very fine images captured with dexterity on myriad themes that included Nature in all its forms and school activities. The work was highly appreciated by the Chief Guest and by the Principal Dr Vijay Datta.

Memento presentation by the Photography Club President

GRAPHICS- WOODCUT

The Graphics Department showcased their talent on various themes – on the Mahabharat- the theme of the exhibition for the Founder's Day 2017, on R.K Lakshman and iconic movie posters.

Manav Gupta and Dron Sharma of the Graphics department presented a portrait (Graphics woodcut medium) to Mr.Piyush Goel ,Indian Railway Minister, Chief Guest on Founder's Day Celebration on 11th November 2017 and also to Dr.Vinod Pandey, Chief Guest on Founder's Day Exhibition on 16th November 2017

Style-Futurism*

FASHION TECHNOLOGY- 'J'ADORE'

The Fashion Technology department, under the guidance of Ms. Hema Bajaj, had put up an exhibition on the topic as extravagant as the fabric itself Denim, based on a growing design philosophy Sustainable fashion. From the designed outfits to show pieces like books, mugs, pots, jewelry, and key chains covered with beautiful denims and products like pencil pouches, tableware and decorated jeans made purely out of denim, were indeed appreciated.

HOME SCIENCE

The members of the Home science department of our school put up some exquisite and a vast variety of exhibits on display. The Tie-Dye section with many techniques such as, bandhni, lahria, concentric-circles, dip dying, etc., colorful rangoli and scented gel candles, honey and rose soaps, kitchen ladles as candle stands bespoke of all the hard work and creativity of the young homemakers in the making.

CERAMICS

Students of the Ceramics Department actively showcased their work in clay modelling , glass melting and mosaics. Under the guidance of Ms Merlin Abhimanyu the senior members of the department Rishab Dua(President), Sanyam Gupta and Vatsal Sinha made The Ashoka Pillar sized nearly 11feet. This exhibit aimed to invoke a patriotic fervour in the hearts of the veiwers.. Another massive sculpture made out of clay exhibited was The Shiva, drawing inspiration from the rock cuts of Elephanta Caves. The cheif guest and the Principal acknowledged the students for their creative art work.

ANIMATION

Based on the theme of the exhibition the students of the computer animation department prepared 3D models of beautiful chariots and crowns, Arjuna's bow and arrow. Short movies on 'Draupadi' and 'Mangalyaan-Our Mission to mars' were the highlights of the department. The department was complimented for its hard work and creativity by the Chief Guest and Principal Dr Vijay Datta.
