

ATTENTION ALL SECTIONS OF S4

The students going on the Gram Anubhav trips will go according to the originally allotted sections. Any change of section due to subject change will take place with effect from 9th April 2014.

As part of the assessment for FA-2, each student will submit an individual report in the form of a file/ppt based on the Gram Anubhav experience. The first part of this integrated - inter-disciplinary project report must cover information and learning in all subjects i.e. languages (english, hindi/sanskrit/french); science (physics, chemistry, biology); social studies (history, political science, economics, geography) and mathematics.

The project report must include minimum 1 page/slide per subjects mentioned.

This project has to be submitted to the respective class teachers by 4th July, 2014.
