Modern School Barakhamba Road, New Delhi
NOTICE
Inter House Recycling Competition

April ¹⁵ 9th, 2014

The Environment Club of Modern School Barakhamba Road New Delhi is hosting Earth Week celebrations this April. As a part of the event we are conducting The 1st Annual Recycling Games, details of which are listed below.

All House In-charges are requested to encourage children to participate in these games and to send only the prescribed number of children per game. Only ONE TEAM per House will be entertained for a particular game.

The following is the list of games along with the instructions and rules that govern them-

Recycling Relay

Objective - Distinguishing waste material from recyclable material and garbage, and sorting them in the correct bins ie: Blue bin or Green bin

Day and Date - 23th April 2014 Thursday

Timings - 9:00am-10:20 am

Venue- Amphi Theatre

No. of students per team - 4 Children

Class - VI

Rules and Procedure -

Each child recognizes 2 given objects and puts them in their respective bin.

They attempt this process one at a time, until 8 waste materials are not sorted in their respective bin

The team that finishes the fastest and has all the materials in their correct bins, wins.

The Science of Reuse

Objective - To develop innovative ways to reuse products

Day and Date - 23th April 2014, Thursday

Timings - 9:00am- 10:20am

Venue- Amphi Theatre
Team – 3 children
Class - VII

Rules and Procedure -

Each team is provided with a product considered to be waste in today's world

Children must come up with unique and innovative ways to reuse a product

The team to come up with the most number of products out of the initial raw material, wins.

In case of a tie in the amount of products thought of, then innovativeness, uniqueness and productivity of the product will be taken into consideration.

Going 360°

Objective – To increase awareness on the importance of recycling and environmental conservation.

Day and Date – 23th April 2014, Wednesday

Timings – 8am - 9:20am

Venue- Amphi, Theatre

Class - IX

Team - 2 Children

Rules and Procedure – Participants must spin the wheel of recycling which would determine the type of question they will be asked.

In order to win another spin, they must answer the question correctly.

The second spin would hence determine the nature of the prize won by the participant.

Only one team member will be admitted to spin the wheel at a time and the answer has to be answered individually.

Once one team member has completed the task regardless of the result of his/her answer, the second member would then follow the same process of questions per spin.

The top two teams to answer the maximum number of questions correctly and aptly will be awarded and will also move onto the bonus round which will determine the winners of the grand prize of Going 360°.

IMPORTANT: The House that wins the maximum number of games and accumulates the maximum number of points wins the Overall House Prize.

Please send the list of students along with their class and house in the form attached to the undersigned before April 18th 2014.

For further information contact Gresshaa Mehta +91-9818229955 or Mrs. Sonia Kapoor +91-9810161757.
