Nirbhaya Naari, Sashakt Bharat

If by strength is meant moral power, then woman is immeasurably man's superior.

There is no occasion for women to consider themselves subordinate or inferior to men.

– Mahatma Gandhi

“How wrong is it for a woman to expect the man to build the world she wants, rather than to create it herself?”

– Anaïs Nin

A woman is the full circle. Within her is the power to create, nurture and transform.”

– Diane Mariechild

No one can make you feel inferior without your consent.”

– Eleanor Roosevelt

“Let woman out of the home, let man into it, should be the aim of education. The home needs man, and the world outside needs woman.”

– Pearl S. Buck
