

KIDS FOR TIGER

The colors of the majestic tiger are so vibrant and powerful that they eclipse in the rest of the jungle.

To bring about sensitivity and awareness towards saving the tiger/environment, "Kids for Tiger" invites you to participate for the event on 28th January by making tiger kites. The best entries will be awarded and participants will get certificates.

Follow the given instructions:

Materials required

- ❖ Orange Chart Paper (Half Sheet)
- ❖ Fevicol /Glue stick
- ❖ Scissors/ Staple pin
- ❖ Materials for decoration (Sketch pens/ Paints crayons etc.)

Step 1: Cut the orange chart paper into a square shape of approximately 17/17 inches.

Step 2: Turn it around so that it looks like a diamond.

Step 3: Cut a triangle with a base size of 9.5 inches and the other two sides of 6.5 inches. (From the remaining paper)

Step 4: Using a black paper draw images/objects related to tiger

Optional: add strips of paper at the bottom of the kite to make it flutter.

Submit your **entries by Friday, the 23rd** of January to Aradhana Ma'am in the Art Room.
