Astronaut Training Programme - NASA Huntsville

Day 01: New Delhi – Atlanta

Assemble in school late in the evening to go to the airport to take early morning flight for Atlanta.

Day 02: New Delhi – Atlanta

Take the early morning flight with full energy and excitement for the exciting tour to NASA, Huntsville. We reach Atlanta by evening on the same day due to the time difference. On arrival transfer to hotel and overnight at hotel.

Day 03: Atlanta – Space Camp (Huntsville, 3 hrs drive)

After breakfast transfer to the Huntsville space Camp by Coach, to attend the **NASA Space Camp**. Upon arrival, Check in at Camp. Orientation & acclimatization to adventure & simulated space missions. Dinner and Overnight at the camp.

Day 04: – Day 07: Huntsville Space Camp

Space Camp is the adventure of a lifetime. Space Camp encourages trainees to pursue more science, technology, engineering and math (STEM) through exciting hands-on educational activities. The facility is located on the grounds of the **U.S. Space & Rocket Center** which is also the official visitor center for **NASA’s Marshall Space Flight Center**. During the five-night program, trainees participate in **simulated space missions including launching, docking of space shuttle and space station**. Students will also conduct science experiments while learning basic scientific principles. Crew trainers will guide trainees through the past, present and future of Space exploration using actual rockets and shuttles as the backdrop. Trainees will see the first rocket that put an American in space – the massive **Saturn V moon rocket** – and the Capsules early astronauts used during their missions. Trainees will experience walking on the moon in 1/6th gravity chair to feel what it’s like to work in a frictionless environment and navigate a tumble-spin on the multi-axis trainer, just like the Mercury astronaut training.

Day 08: Space Camp Huntsville – Washington D.C

Today you would graduate from the Space Camp after a graduation ceremony where you would be given **Certificates & Badges for your achievements in the mission**. Later Board your Flight to Washington D.C, Upon Arrival, check in at the Hotel. Dinner and overnight stay at the hotel.

DAY 09: Washington D.C.

After Breakfast the students would go for a guided city tour of Washington, D.C. along with your tour director. A guided tour of the Capitol, Supreme Court and the White House. Along with Smithsonian National Museum of Air and Space, Lincoln Memorial, Jefferson Memorial, World War II Memorial & most interesting for some – **The Spy Museum** etc. Dinner and overnight stay at the hotel.

DAY 10: Washington D.C. – New York

Transfer to New York visit **Empire State Building on arrival**. Take a guided tour of New York covering **Times Square, the iconic world landmark and symbol of New York and US, Central Park**, the largest park in the world; **World Trade Centre sites** also called Ground Zero after 9/11 attack and United Nation headquarters.

DAY 11: New York

Visit Statue of Liberty, an icon of freedom. Take a guided tour of Midtown Manhattan Fifth Avenue – New York largest central business district and the most expensive shopping street in the world, **Rockefeller Centre** – Complex of 19 commercial buildings between 48th and 51st street in New York, and FAO Schwartz – upscale toy retailer in New York. Today afternoon we visit the famous **Broadway Theater**. Overnight stay at Hotel.

DAY 12: New York – New Delhi

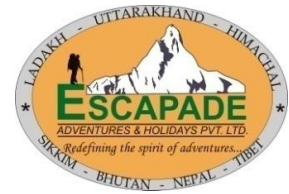

Enjoy the free time in New York City. You may go for shopping where you can buy various essential goods and take home as the souvenir of your U.S tour. Later, on time transfer to New York International Airport to board your flight back home.

Day 13: New Delhi

Arrive at Indira Gandhi Airport in New Delhi, where parents can come to pick their ward.

** Any change in the visa fees or airport taxes will be borne by the applicant.

** Ex Delhi Departures

Special Note :

In case we get to do this tour we request you to give your **final confirmation by 25th Feb** for following reasons :

1. The air fares are likely to increase if we go later than 25th feb. which will impact the trip cost.
2. Bookings at Space camp can't be held for too long as its getting students from all over the world.
3. US visa is a long process and we need ample time to finish all formalities before applying for visa in first week of April.
4. For smooth operations we prefer to finish all our booking processes at least 45 days prior to trip departure.
