THE NEHRU HOUSE BIENNIAL FUNCTION

The Nehru House Biennial Function was held on Friday, 27th December 2019. Dr Bharat Agrawal, MBBS, MD, MBA, M. PHIL graced the occasion with his presence.

The function started with a Kathak dance performance by Ananta Jain (S4 F) and Lavanya Vadehra (S4 A) followed by a melodious fusion of music by the School orchestra. Students of classes S1, S2, S3 and S4 presented the Hindi Ballet- 'Kabuliwala' based on a famous story by Rabindranath Tagore.

Richa Jaipuria (S6 D) beautifully sang the popular song from the movie Titanic, 'My Heart will go on'. Samarth Khanna (S6 G), Vedika Kapoor (S6 G), Ananya Kadambri Khanna (S6 G) and Kunal Govil (S6 E) played pivotal roles in the musical 'Aladdin'.

The members of the Nehru House concluded the House Function by presenting the School song 'Balvan Bano'. The Chief Guest praised and congratulated the students on their excellent performance.

The Principal, Dr Vijay Datta, appreciated the members of the Nehru House for a stellar House Function and encouraged each member of the House in their pursuit of excellence.

CHRISTMAS CELEBRATION

THE PRINCIPAL DR VIJAY DATTA ALONG WITH THE HEADMISTRESS MIDDLE WING MS MEERA MALHOTRA, THE TEACHERS AND THE PARTICIPANTS AT THE SPECIAL ASSEMBLY

The morning of 24th December 2019, brought with it gaiety and yuletide spirit as the front lawns of Modern School witnessed Christmas celebration with grandeur.

The celebration commenced with the holy prayer and lighting of the candles in the manger by the Principal Dr Vijay Datta, Headmistress, Middle Wing, Ms Meera Malhotra and Head Co-curricular Ms Manpreet Kaur. The students sang carols and songs such as 'Joy to the World', 'We wish you a Merry Christmas', 'Deck the Halls', 'Rudolf the red nose reindeer', 'Santa Claus is coming to town' etc, which enthralled everyone in the melodies of rapture and festive spirit.

THE STUDENTS SINGING THE CHRISTMAS CAROLS

The dancers enthused the atmosphere with ecstasy as they danced on mellifluous tunes of 'Big time rush', 'We wish you a Merry Christmas', and 'Last Christmas'. The Principal, Dr Vijay Datta, expressed his delight on seeing the enthusiasm in the children who brought the spirit of Christmas alive.

He congratulated all the participants for putting up a great show and raising the bar in organising the Christmas assembly meticulously. The Christmas celebration culminated with the 'cake-cutting ceremony' and an official photograph with Middle School students and teachers. The teachers who organized the assembly are Ms Shalini Dahiya, Ms Himani Bakshi, Mr Arindam and Mr Vikram Sharma who were also thanked and appreciated.

TALK ON ENVIRONMENTAL ISSUES

A talk for students of class S4 was organized by the 'Society for the Advancement of Occupational and Environmental Health' on Tuesday, 24th December 2019. Dr T. K. Joshi, Director, Occupational and Environmental Program, interacted with the students and made them aware of the environmental issues and bio-medical waste management. The training session was organized in the Senior Biology Laboratory under the guidance of Ms Richa Bhatia, Head of the Department, Biology.

NATURE CLUB EXHIBITION

The Nature Club of Modern School Barakhamba Road organized an exhibition on Saturday, 28th December 2019 in the Junior Biology

Laboratory. The students of the Nature Club displayed the innumerable achievements and recounted workshops and competitions held in the year 2018-19, under the guidance of Ms Richa Bhatia, in charge, Nature Club. The exhibition aimed at inculcating a scientific temper in students. The compost formed in the school compost pit was distributed in paper

bags, made by the students of the Nature Club, to the teachers and parents. 'E- Waste Collection Drive' was organized on the same day to recover electronic waste. Students were engaged in assembling their own Solar Lamp Kits showcasing their initiative towards a sustainable future. Aman Jain (S6 F), Shivang Soni (S6 I), Yanav Lall (S5 C) and Roham Bhasin (S5 C) started a project 'The Blue Vision Initiative' which aimed to solve the rising problem of water shortage. Under this project his team installed fifty water saving aerators in the school campus leading to less utilization of water. The aerators were distributed to the teachers and parents as well. Students created a miniature theme garden in the laboratory with the use of plastic bottles and materials which were discarded, displaying the use of 3R's – Reuse, Recycle and Reduce. The Principal Dr Vijay Datta, visited the exhibition and congratulated the students for their achievements and encouraged them to achieve greater heights.
