## Revised Curriculum Discussion

The prevailing health emergency in the country and in different parts of the world, as well as the efforts to contain the spread of COVID-19 pandemic has resulted in loss of direct classroom teaching due to closure of schools. Therefore, CBSE has revised the syllabus for classes IX-XII for the academic session 2020-21. Considering the importance of achieving the level of learning, the syllabus has been rationalised to the extent possible by retaining the core concepts. The teachers of Modern School, Barakhamba Road discussed this revision in syllabus with their respective students and clarified all doubts regarding the same.
