SANSKRIT ARTICLE WRITING

Students of S3 wrote articles in Sanskrit language on the occasion of Centenary Celebrations of Modern School Barakhamba Road. Below is the English translation of the article written by Kirti Bhatia (S3D).

MODERN- SAGA OF DREAMS AND VISION

Modern School was a visionary's dream of Lala Raghbir Singh Ji. It turned into reality in the year 1920, a century ago. He was not only the founder of our school, but also assured that Modern School aims to provide quality education embedded with moral values and modern ideas in order to foster all-round growth of a child. I am very happy to be a part of this pristine legacy in its Centenary Year. Since its very beginning, Modern School has received wishes and blessings from Mahatma Gandhi, Rabindernath Tagore, and Jawahar Lal Nehru. During the past century, many 'Modernites' have achieved good heights with their dedication and talent, which brought all the fame to the school. The best-known alumnus is Indira Gandhi, the first women Prime Minister of India, for many years. in the field of journalism and literature, Modern boasts stalwart Khushwant Singh as one of its best alumni. Modern School has many more notable names in star alumni list who held senior positions in Indian politics, bureaucracy, and judiciary and have done excellent work. My favorite and my inspiration, Dr. Naresh Trehan is a surgeon and the chairman of the famous Medanta Hospital, is an alumni. Modern School is proud to have such capable leaders.
