SUBHASH CHANDRA BOSE ISLAND

- Modern School, Barakhamba Road Delegation

Round Square Virtual Conference, USA & BRAZIL

An International Round Square Virtual Conference was hosted by Park City Day School, USA & Aubrick Multicultural Bilingual School, Brazil on 15th April, 2021 on the topic "Listening to the Land, Understanding the Past and Protecting the Future". Modern School, Barakhamba Road delegation comprised, Abhirati Singhal (S2G), Amaira Jain (S2F), Angad Atharv (S2F), Krish Dua (S2F), Saanvi Shorey (S2F), Zara Vickers S2G, Raghav Singhal (S4A), Vania Karna (S4A), Palak Singhal (S4C), Tanay Jalan (S4A), Arshia Goel (S4D), Anmol Lehal (S4F), Inayatt Gogia (S4I), Prisha Gupta (S4A) and the teacher escort, Ms Shalini Dahiya.

Each school gave a presentation on a place in their country which is famous for its historical/cultural significance, natural beauty or ecological impact. Modern School chose to present on 'Netaji Subhash Chandra Bose Island' in Andaman and Nicobar islands.

The delegates were divided into six Baraza groups. The discussions were held about the importance and significance of UNESCO World Heritage Sites, and rainforests. The delegates were addressed by the keynote speaker, Mr Daniel Munduruku who spoke about the Amazonian rainforest, its importance, the aboriginal tribes and the bush fires.

Modern School delegates highlighted the importance of afforestation, safety of indigenous people and how aboriginal practices and techniques can be inculcated in the present life to prevent climate change.

The Conference concluded with everyone discussing how their respective schools helped in conserving the environment. Modern School delegates proudly spoke about the initiatives taken by the Nature Club of the school and how the school participates in plantation drives, has compost pits and has placed different colour dustbins all around the campus. It was an enriching experience for all the participants.

Round Square International Virtual Conference, Durban

Leadership in Our Times

Modern School, Barakhamba Road delegation participated in an International Round Square Conference organised by Thomas More College, Durban, on 21st April, 2021. The agenda of the Conference was 'Leadership in Our Times' with a special focus on, abstract concept of 'Leadership' with the future leaders of the world.

Siddhant Ahuja (S7C), Anirudh Jain (S7C), Zaina Sharma (S7G), Kaashvi Dua (S6E), Surina Wadhwa (S5E) and Vidhi Sinha (S5G) represented Modern School at the conference. All the delegates were invited to a Pre-Conference Baraza meeting on 15th April, 2021 to discuss the Conference's agenda.

The Main Conference commenced with an inaugural address by the Head Boy of the College. This was followed by the speech delivered by the keynote speaker, Ms Lindiwe Rakharebe (CEO of the Durban International Convention Centre). The delegates shared their opinions during the two Baraza sessions, highlighting Kindness, Perseverance, Adaptability and Farsightedness as indispensable qualities of a leader. The Conference concluded with a formal vote of thanks by the President of the Round Square Committee of the College. All the activities undertaken in the event fulfilled their role as stepping stones for the future leaders of the world.

Round Square Virtual Conference , Canada

Restoring the Earth through Sustainable Leadership

Modern School, Barakhamba Road delegation comprising, Atin Narain (S7C), Yanav Lall (S7C), Manvi Jain (S7I), Manya Jain (S7A), Ayaan Mehra (S7C) and Arohi Aggarwal (S7A) participated in the Round Square Virtual Conference conducted by St. Mildred's-Lightbourn School, Canada on 22nd April, 2021.

The theme of the session was 'Restoring the Earth through Sustainable Leadership'. The Conference revolved around the initiative of Canadian teen activist Autumn Peltier who demanded access to clean water for all Canadian citizens. The discussions entailed students contributing examples of sustainable practices and innovation in their schools and communities.

The representatives of Modern School, Barakhamba Road had a lot to offer, citing initiatives such as banning single use plastics like straws, school compost pits, green zones and waste segregation practices. All the participants were required to submit a paragraph describing their understanding of sustainable leadership, thereafter the key words from these paragraphs were compiled and displayed on screen.

The amalgamation of the ideas depicted Collaboration, Innovation and Empathy as essentials for a sustainable future. This was a rewarding session for all the delegates.
