MODERN SCHOOL RAISES THE BAR AT IPSC MUN'21

A delegation of eight meritorious students from the Modern School, Model United Nations Society, participated in the IPSC MUN'21 organised by the **BK Birla Centre for Education, Pune** from 13th September-15th September, 2021 and have truly lived up to their legacy. Schools from the IPSC, i.e., Indian Public Schools Conference attended the conference, pushing our students on their toes and raising the level of debate. The conference was an overall enriching experience; the students of Modern School, Barakhamba Road showcased their unmatched skills in research, debate, diplomacy, analysis, and networking. Under the guidance of our mentor, Ms Sonia Kapoor the students effectively combatted the 3- days MUN. We are proud to announce that the students bagged a total of **Ten Awards**.

Apart from the MUN, the school also conducted a Discursive Writing Competition where students were required to write on the spot. Modern School triumphed yet again with **Anmol Jain (S6I)** bagging the **Second Position**. The event instigated creative thought, situation analysis and the ability to think spontaneously.
