## TEACHERS' DAY 2021

5<sup>th</sup> September, which marks the birth anniversary of Dr Sarvepalli Radhakrishnan is celebrated every year in India to recognise and celebrate the works of educators. Modern School also celebrates this day as a tribute to its founder, Lala Raghubir Singh, who shares his birthday with this celebrated educator and philosopher. Lala Raghubir Singh built a legacy that is reflected in the holistic education imparted in this institution.

Teachers are not merely educationists but play a variety of roles in the lives of students. They are a friend, philosopher and guide for the students who enter the hallowed environs of this red brick building. Teachers' Day 2021 was celebrated online. On this occasion, our team leader, Principal, Dr Vijay Datta congratulated all teachers and extended an appreciation for their consistent hard work and efforts. The mellifluous performance on fusion music by the students of Modern School, Barakhamba Road on 'Come September' added to the online celebrations.
