The cultural earnings obtained from Hindi were portrayed by students in various ways.

Dr Sambit Patra, the National spokesperson of the Bharatiya Janata Party, delivered a powerful speech wishing the Modern School Fraternity on 14<sup>th</sup> September, 2021. His wise words impacted the visions of the students and allowed them to believe that the unity of the nation can be increased by promoting Hindi.

Modern School, Barakhamba Road Principal, Dr Vijay Datta, added that when the world's biggest multinationals can realise the importance and power of the Hindi language, why can't we, Indians, fathom its beauty and relevance? The programme commenced by presenting several acts, which enlightened various aspects of the language. Alluring posters prepared by students depicting cultural diversity in India were also displayed. Along with this, news reports prepared by students, as a part of holiday homework were also appreciated. On the third day, there were various dance performances, beautifully put together which lightened up the event, followed by melodiously recited Dohas, through which a deep and powerful message was portrayed.
