### HARVARD MUN DUBAI HOSTED BY HARVARD DUBAI

Harvard MUN Dubai hosted by Harvard University from 3<sup>rd</sup> June to 6<sup>th</sup> June 2022, provided a great opportunity for eleven students from Modern School Barakhamba Road to propose economically, socially and culturally feasible solutions on a competitive panel. The panel consisted of thousands of delegates from across the globe. To have their pleas heard, our students planned and ameliorated their approach for the excruciatingly high level of competition and to adhere to the fast-paced movement of the conference. Students successfully participated in the committee sessions and Krish Wallia, S5A- won the High Commendation award in the World Health Assembly.

## ROUND SQUARE CONFERENCE

The Pathways World School, India organised a Conference on 25<sup>th</sup> May, 2022. Eighty participants were present for the conference, which included delegations from fifteen schools from two countries (India and Argentina). Five participants from Modern School participated in this event-

Paavni Narula(S3H), Ansh Aggarwal(S3H), Angad Athar(S3F), Aadi Agarwal(S3A), Tavisha Gupta(S3E) and Shaurya Kapila(S3G). The students were mentored by Ms Shalini Dahiya, Round Square Representative, Modern School, Barakhamba Road, and were accompanied by Ms Divya Aggarwal. The topic of the Conference was “The Mystery of our History”.

The conference began with a welcome address by the hosts followed by a presentation by the keynote speaker who spoke about a remarkably interesting monument called the *Gyani Chor ki Baoli* (The stepwell of the wise thief). The first few minutes were spent in icebreaker session, after which the students were asked to share their thoughts. Thereafter, the students made a poster on the given topics. This absolutely wonderful Conference taught each participant the importance of valuing and cherishing our history and that “monuments are more than just buildings; they are places where time stands still.”
