As a Pre-Conference task, the students were required to prepare an info-graphic highlighting recycling programme in their communities. They were led to different Baraza groups where they stressed upon the importance of plastic awareness and discussed innovative ideas to practice the three R's: reduce, reuse and recycle. As a fun-filled exercise, everyone was asked to challenge other students to start performing eco-friendly activities and give suggestions such as: a smarter jute bag for groceries, a stainless-steel bottle or a fountain pen, an Ice cream in a cone, which needs no plastic, spoons and straws. The possibilities are endless! It was a thought provoking and informative session.

HARMONY HORSE SHOW 2022
