School Information

- Modern School at Barakhamba Road is a co-educational high school which was established in 1920. It enrolls approximately 2500 students between grades 6-12, supported by a committed and qualified teaching faculty. The teacher-student ratio is 1:40. It is part residential, for outstation boys only.
- It has a junior branch, Raghbir Junior School at Humayun Road and a sister school at Vasant Vihar.
- The school academic year starts from April and closes in March. However, the class X and XII receive graduation certificates in the end of May. The term plan has been disrupted this year due to the pandemic.
- Medium of instructions is English from year 1-12.
- The school is affiliated to the Central Board of Secondary Education (CBSE). The curriculum followed is the NCERT curriculum, inclusive of two National Level Examinations at class X and XII called the All India Secondary School Examination (AISSE) and All India Senior School Certificate Examination (AISSCE) respectively. Details can be viewed at the website www.cbse.nic.in
