Round Square Zoom postcard by Calgary French and International School

Yashve Rai S6G, Yana Jain S6I, Sana James S6J, Priya Yadav S6D, Aryan Malhotra S6G and Kaashvi Allagh S6B along with Ms Shalini Dahiya, RS Rep, Modern School, Barakhamba Road, attended the 90-minute RS Zoom Postcard conference hosted by Calgary French & International School in Canada, with the theme "Diversity, Equity & Inclusion Committees: Let's chat!"

The call took place on, 1st February 2023, bringing together eighty-five student participants from seventeen schools across seven countries (Armenia, Canada, Colombia, India, Pakistan, South Africa and UK) .

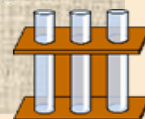

The conference began with a presentation in which the host school provided information about their EDI (equity, diversity, and inclusion) committee for students to be more comfortable and safer in the school environment, to talk, study, and grow while promoting and encouraging awareness of diversity-related concerns around the world. To have an in-depth discussion about the subject, the students were directed to several breakout rooms. The students discussed the EDI projects undertaken by the school, community, and nation and what the youth can do to alter the society. It is critical to realize that just because one is not aware of a problem doesn't mean it doesn't exist. The students must first educate themselves to make changes to the society.

The topic was impactful and influential which eventually made all the Modern School delegates connect more deeply with the other participants and have a fruitful discussion.
