BIZONOMICS SOCIETY STUDENTS RECEIVE LETTER OF RECOMMENDATION FROM NSS- SRCC

The content development internship offered by the National Service Scheme, Shri Ram College of Commerce (NSS SRCC), provided interns with a remarkable experience. From the selection process to the closing ceremony (10th August'23 to 10th September'23), every moment was filled with growth and learning. Applicants were required to submit writing samples that showcased their skills and expressed their aspirations. Then, interviews were conducted where applicants delved into their submitted samples.

Out of hundreds of applicants, forty students, from different parts of India, encompassing grades 10 through 12, made the cut. Additionally, an exciting aspect of the internship was being introduced to "Prerna," a magazine that would publish the interns' work.

The primary focus of this internship revolved around content development. During the internship, interns had the opportunity to take part in five speaker sessions and three beneficial training sessions. The interns had to complete assignments as part of their responsibilities, which included creating and sharing poems on their Instagram page to showcase their abilities. These assignments not only helped them enhance their writing skills, but also contributed to the content. Moreover, the project provided interns with the opportunity to explore writing genres, allowing them to broaden their horizons.

As the internship neared its end, all the interns gathered together for a closing ceremony held on Zoom. During this ceremony, five interns were given Letters of Recommendation for their commendable contribution. **It is worth mentioning that two of these recipients, Saayesha Chandrani (XI-F) and Anmol Lehal from (XI-J) were students from Modern School, Barakhamba Road.** This acknowledgment highlights their efforts and commitment throughout the internship.

In conclusion, the NSS SRCC content development internship was a fruitful experience that allowed budding writers to grow, learn, and make a positive impact while nurturing their writing skills.
