FOUNDER'S DAY EXHIBITION 2023

The hall of Modern School, Barakhamba Road was abuzz with excitement and elegance on the morning of 30th November, 2023 as the school hosted a cultural extravaganza, a testament to creativity and excellence. The main highlight of the day was the much-anticipated Fashion Show, 'Jalsa', presented by **J'adore (Fashion Department)** of Modern School. The show seamlessly blended tradition with the contemporary, showcasing a scintillating fusion of culture and innovation. The runway reflected the creative brilliance of budding designers. A special moment also unfolded as the House Captains were honoured with badges, by the **Chief Guest Commanding Officer, Nalin Kant Mishra** and Principal Dr Datta, signifying their leadership roles within the school community. Parallel to the fashion show, an exhibition was curated by the Creative Wing which transcended the boundaries of conventional artistic expression. Notable exhibits included repurposed prize boxes transformed into a symbolic Banyan tree, celebrating the school's history and commitment to sustainability through art.

Principal Dr Datta honouring and welcoming the Chief Guest, Commanding Officer Nalin Kant Mishra.

Honourable Chief Guest looking and appreciating the creative artworks of the students.

Students being awarded with badges by our esteemed Guest.

JALSA- FASHION SHOW

On the morning of 30th November 2023, the much-anticipated fashion show unfolded with grandeur, embracing the rich heritage of India through its splendid theme, **'Fabrics of India'** aptly named **Jalsa**. The outfits were designed by the Modern School Fashion Technology students under the guidance of Ms Hema Bajaj. The event seamlessly blended the timeless allure of tradition with the chic essence of the contemporary, creating a captivating display of grace and talent that left an indelible mark on everyone in attendance. Divided into three mesmerising categories – Indian, Western, and Fusion – the fashion show exhibited a breathtaking array of designs.

The talented students during the Fashion Show

VISUAL ARTS EXHIBITION

Photography- 'Capturing life's essence through lens and light', the Lenscraft Photography Club unveiled a visual narrative. Each frame was a story, a moment frozen in time. The Hon'ble Chief Guest praised the students' meticulous work.

Sculpture and Ceramics- The students exhibited their works on the theme 'Music'. They had also worked on 'Nature' as a subject throughout the year, which was displayed here. Students mostly did mosaic works on Ceramic tiles, some of which were three-dimensional.

Graphics- Print making- During the making of the artworks the students got to expand their potential and skill set by learning new techniques and leadership skills. Each group presented the diversity of English and Classical music and got a chance to exhibit their favorite musicians and genres of music.

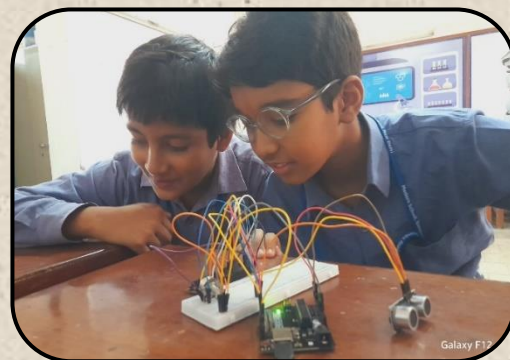

Home Science - 'Music' being the theme of Founder's Day, different musical instruments were depicted through String Art and *Mandala Art*. Coconut shells, kitchen spatulas, glass bottles were artistically upscaled into show pieces. Flower arrangement was done by students in an ingenious manner by using fruits as vases.

Junior Art Department- The art exhibition conducted in the Junior Art Room was a mesmerizing experience for all. The students made different art pieces such as *Mandala Art* and a lot more from waste material such as cardboard, fan covers, newspapers, CD covers, sun board etc.

Paper Technology- The students expressed themselves meticulously through creativity, innovation and skills. There were paper stencil cutting, paper quilling, paper mosaics, paper marbling, Iris paper folding, 2D Papier Mache and 3D Origami, Book folding and a lot more. For the environmental concerns, the students worked on 3Rs- **Reduce, Reuse, Recycle**.

Robotics- The students displayed their skills in the field of Electronics & Robotics. During the making of their projects, the students got to expand their potential and skill set by learning new techniques and leadership skills.

Fashion Technology- The Fashion Department of the school showcased an array of artistic expressions inspired by the theme of Western music. The students presented their creations in various forms including jewellery, tote bags, embroidery works, and paintings, all paying homage to the captivating world of Western music.

Fine Arts- Inspired by Dr Datta's vision of bringing music to every student's life, the school's art room became a virtual stage. The beautiful artworks taught everyone that art's timeless influence on culture will continue to resonate for generations. As a tribute to India hosting the G20 summit this year, a wall was dedicated to its agenda with sixteen posters depicting the **Sustainable Development Goals**.
