ROUND SQUARE EVENT

PATEL HOUSE FUNCTION REPORT

The biennial Patel House Function took place on the 3rd May, 2024. The theme of the function was one that had never been witnessed before. It was unique and historic. It was about the unification and consolidation of the princely states with India led by none other than Sardar Vallabhbhai Patel, the architect of unification. This theme was sensitively portrayed through a theatrical performance interspersed with dances from the different princely states highlighting the diverse nature of our country. The dances had some acrobatic moves as well which amazed the principal as well as all gathered there. The students left no stones unturned in preparing for the ballet. Even after being incredibly informative the students were able to grab the attention of the viewers till the last.

GLIMPES OF PATEL HOUSE FUNCTION

The students showcased their multifarious talents through dance, western and Indian music and some astounding exhibits on display. Our Principal, Dr. Vijay Datta, the esteemed Chief Guest R.S Chauhan, the Guest of Honour Mary Kom, parents and teachers who took time out of their swamped schedules to grace our function were first shown the exhibition that was put up by the students of classes IV to XII in the hallways of the PJB block. In the western music presentation, the melodious singers of our house chose a difficult rather renowned song to sing much to the joy of our guests. The Western music song was “Counting Stars”, which instilled vigour and enthusiasm into the occasion. The singers did not lack in any sort of precision or coordination. The Classical Indian music piece, ‘Raag Mishr Kallawati’ was also enjoyed by all. The house song ‘Ae Watan’ had patriotism resonating in every note and tugged at the hearts of everyone. The credits for organising the entire function, of course, goes to our House Masters, teachers and respected Principal.
